2. I must request official verification of enrollment from my study abroad school (or U.S. host school) and send directly to USFAS after the end of the first week of classes. Enrollment verification must be signed and dated by an authorized school official. Verification of enrollment must:
   • Be in English, on institutional letterhead, and;
   • List each class individually; the start and end dates for each course, and;

   Financial aid cannot be paid until this initial requirement has been met. Enrollment verifications can be emailed to fastudyabroad@usf.edu.

7. My foreign credits may not count toward the renewal of USF scholarships. Refer to your scholarship award Terms and Conditions in OASIS.

8. I am responsible for requesting an academic transcript be sent to USF Undergraduate Admissions or Graduate Admissions Offices at the end of each term of my study abroad. Credits taken will not count as earned until my official transcript has been received and processed by USF, which may delay disbursement of future financial aid.
