USF ID: U ________________ Date of Birth: _______ / _______ / _______ _____
Month Day Year

IMPORTANT: SAP eligibility is not reinstated for a semester that has ended. Petitions are reviewed in the date order received within 10 business days, but may take longer between semesters, and at the beginning of a semester when volume is heavier. You will be sent written notice of the decision.

If your SAP eligibility is approved in SAP probation status, all classes must be taken at USF for you to comply with the requirements of that status.

Instructions:
Attach all required information listed below to this coversheet, and submit it at the same time. Incomplete petitions will be denied.

Petition Requirements:

Your Personal Statements (cannot be provided by someone else and must be typed):

1. Personal Statement of Extenuating Circumstances - Provide concise, factual statements that describe extenuating circumstances, such as personal injury or illness, family emergency, death of a close relative (e.g. parent, sibling or grandparent), or other exceptional circumstances that occurred during specific individual semesters/terms of enrollment in which you did not successfully pass all classes. If you continually enrolled with an ongoing medical condition or personal circumstance, explain why you did not reduce your course load or stop attending to adjust to any personal limitations.

2. Personal Statement of what has changed - Explain what has changed in your situation, and the steps you have taken to ensure that you will successfully complete all current and future classes.

3. Supporting Documentation - Attach written documentation (no pictures) for both 1 and 2 above that is date specific and that clearly supports each extenuating circumstance described in your personal statement(s), and that documents changes and steps you have taken to ensure current and future success in your classes. Do not provide originals, or your only copy, as all information is imaged and the paper copy destroyed.

Examples of acceptable documentation include:
- A signed, dated statement on professional letterhead from a doctor or other professional that confirms medical, legal, or other circumstances described in your personal statements, and that states whether these are resolved.
- A copy of a police report or court document that includes a date and information specific to what happened.
- A copy of a death certificate or funeral announcement that includes the date of death.
